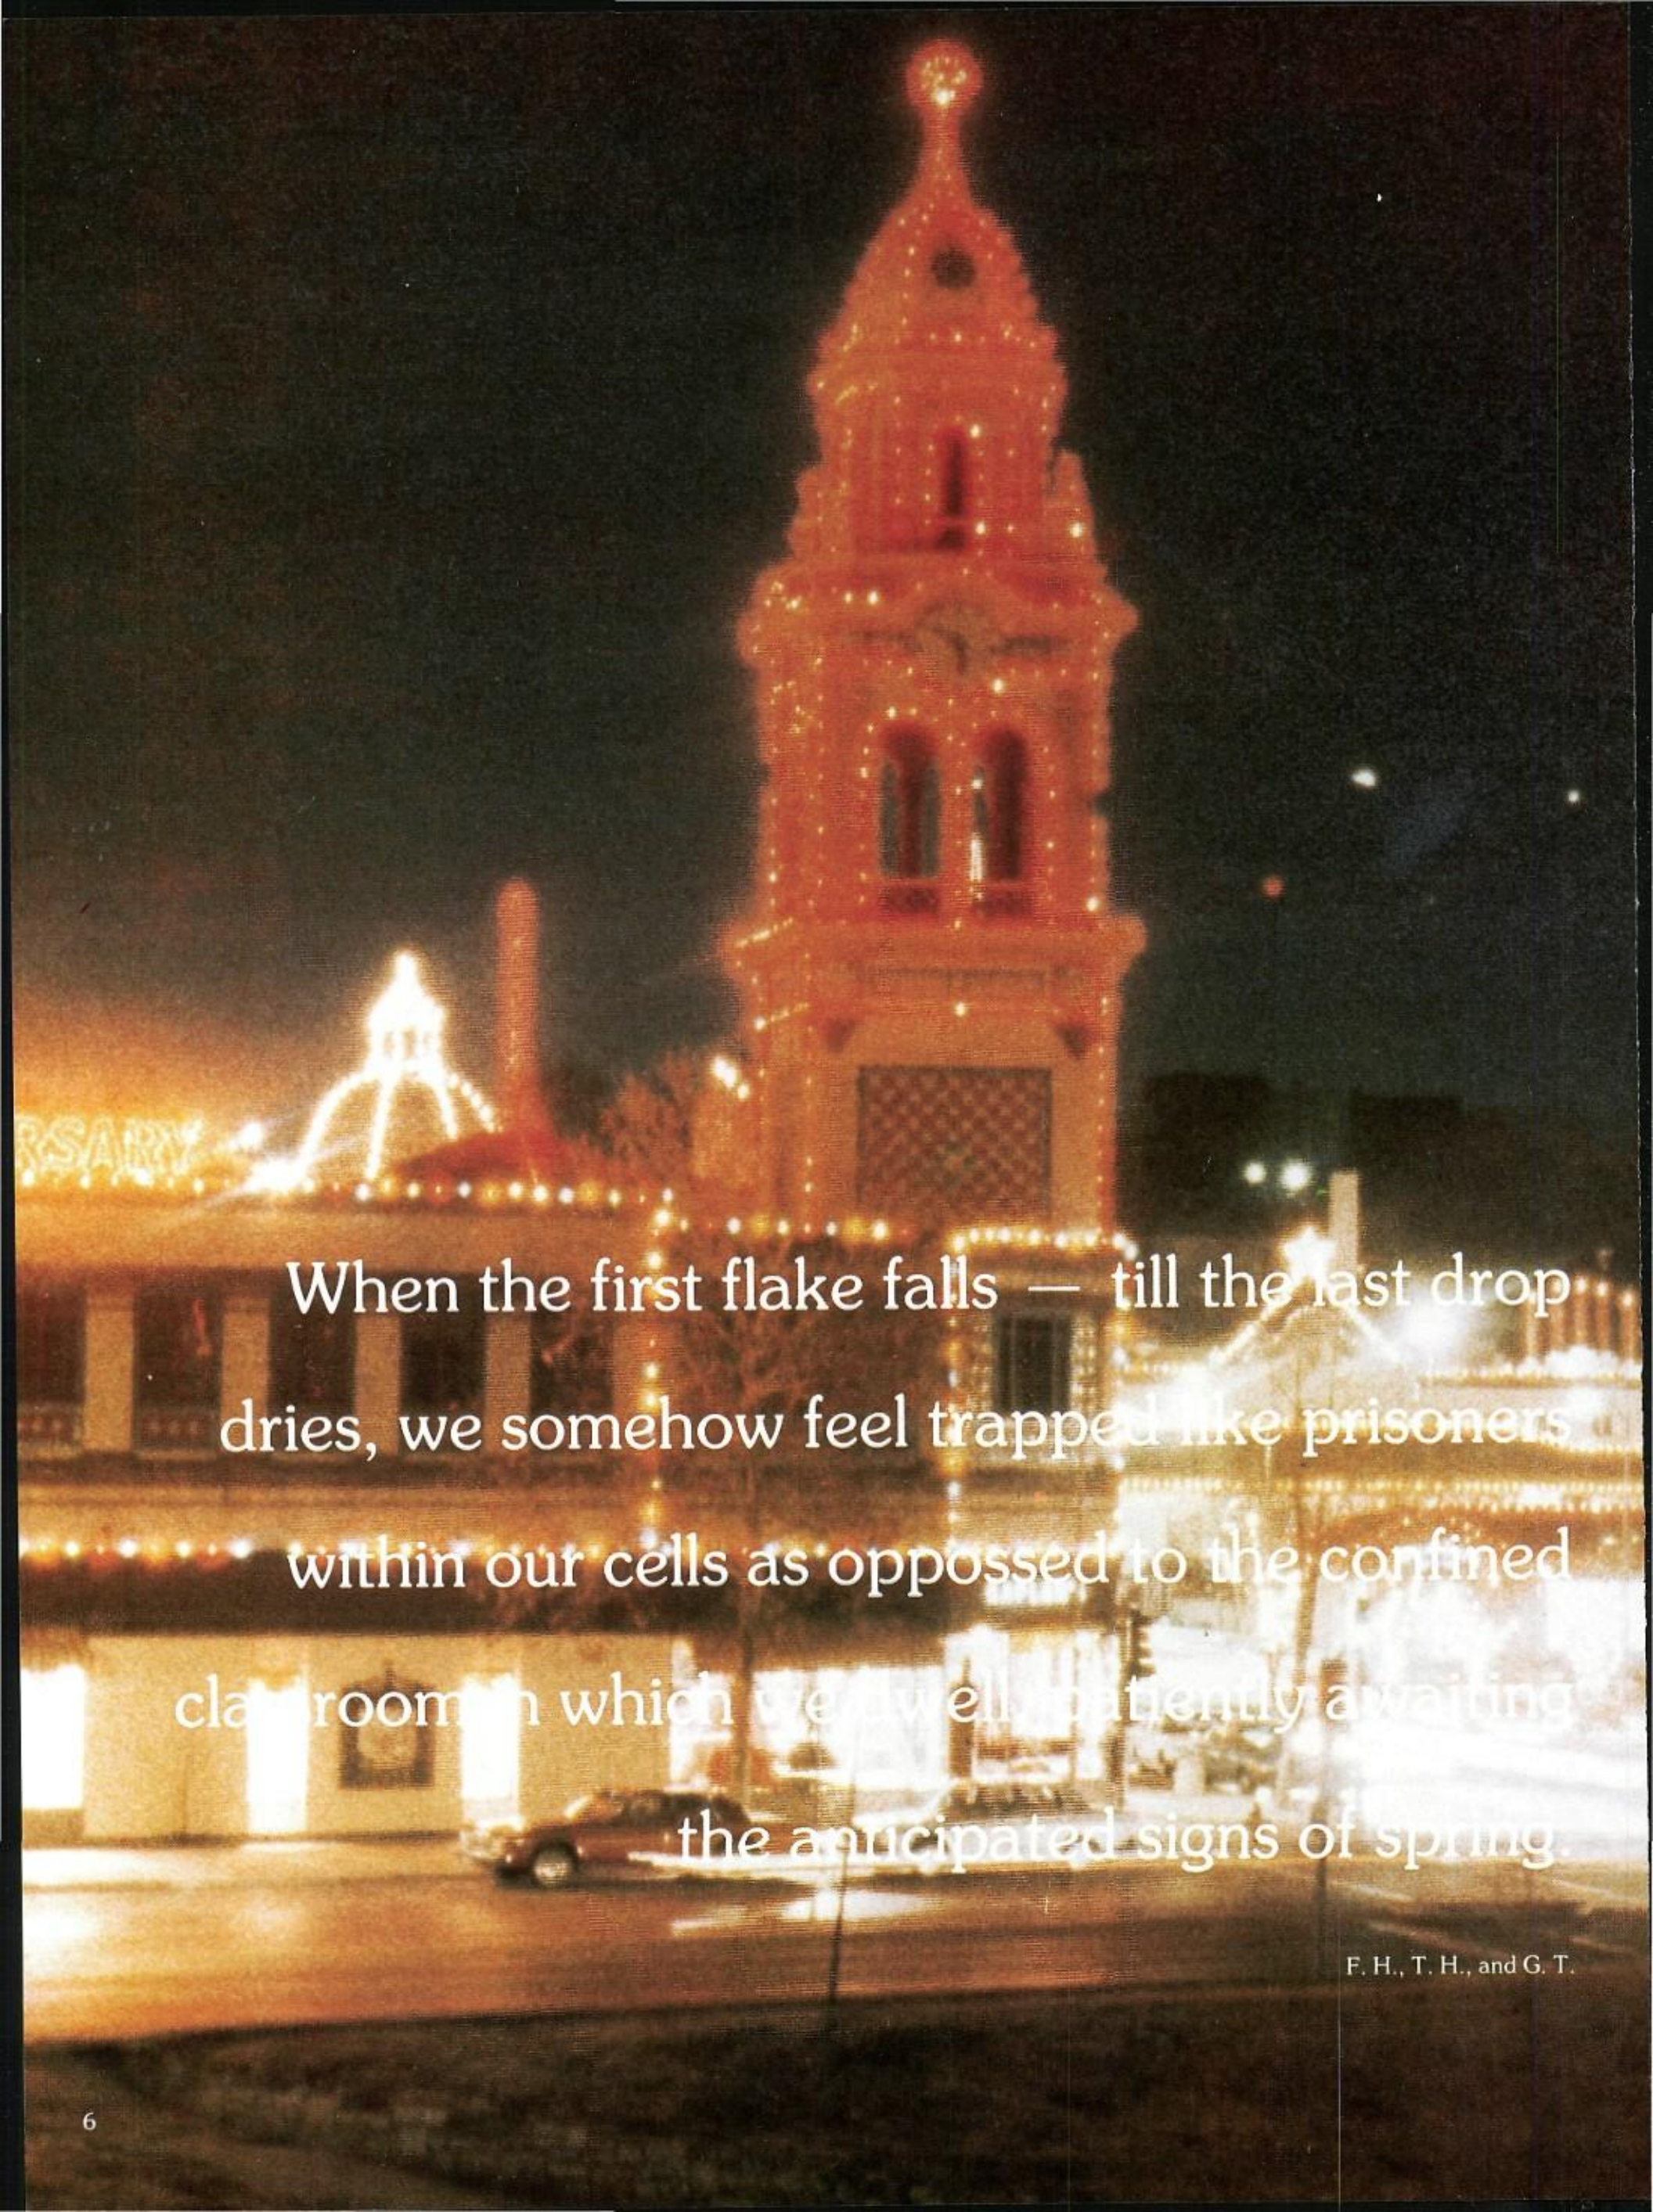
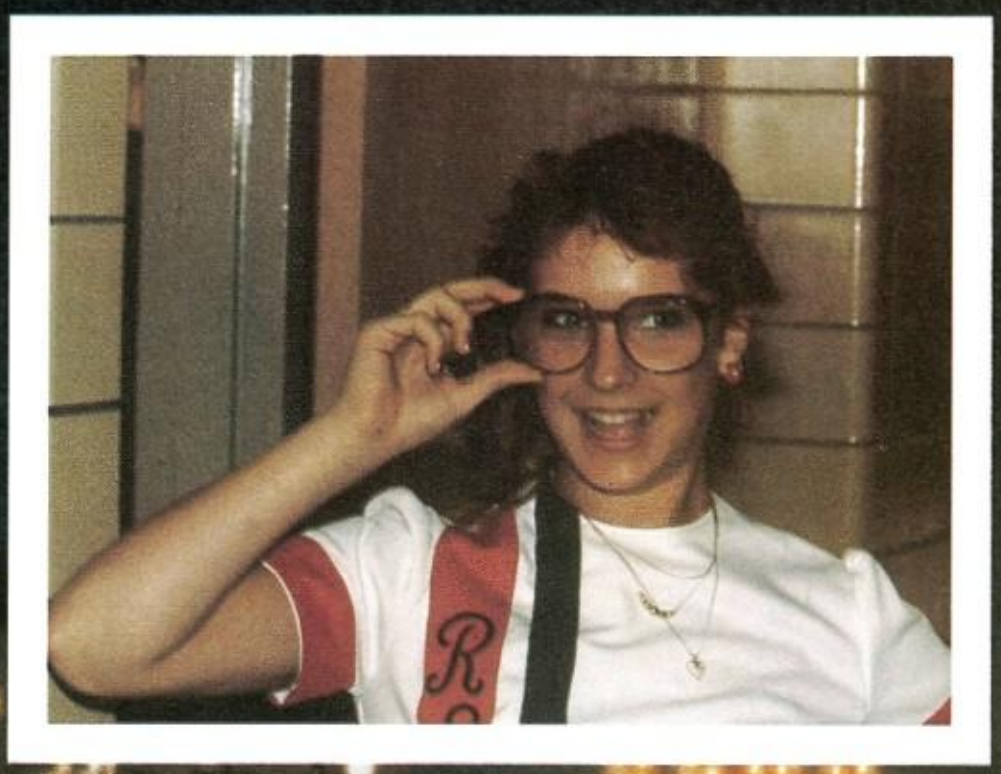
People are like leaves in a rippling brook in the fall, they move in and out of the main stream until they find the right channel.

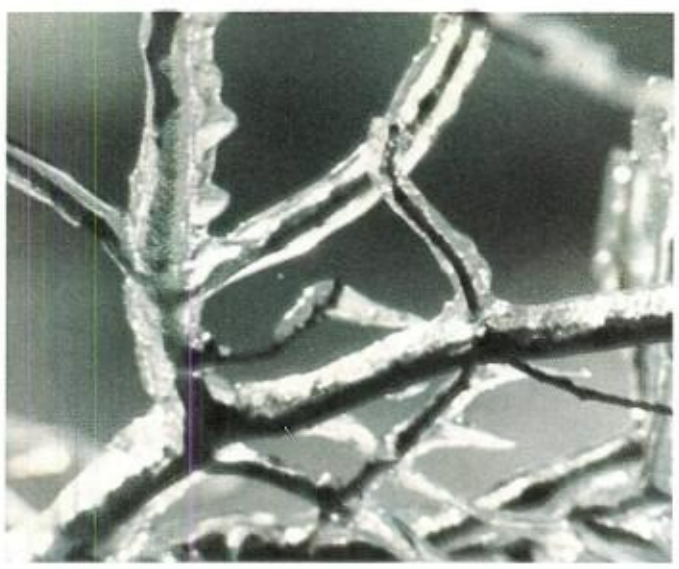
Amy Fensom

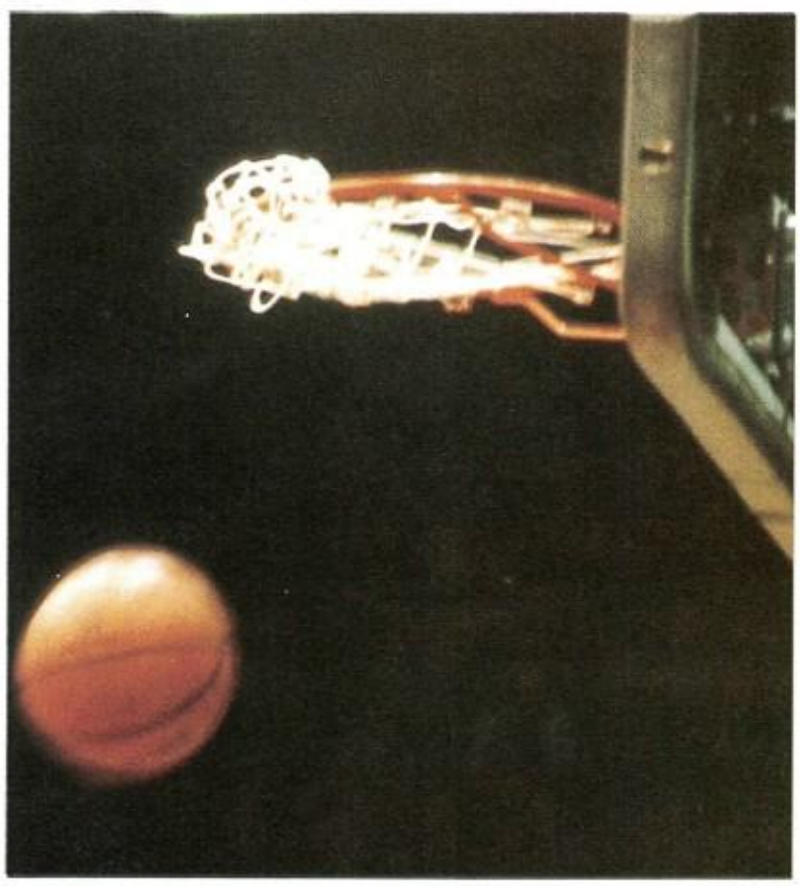


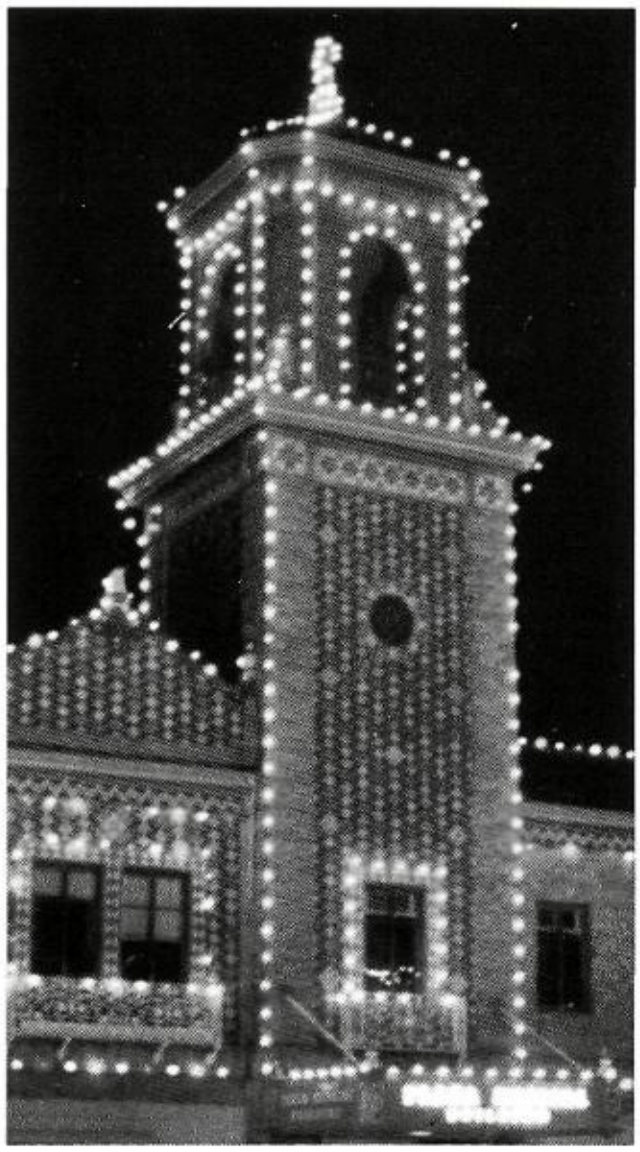
When the first flake falls — till the last drop dries, we somehow feel trapped like prisoners within our cells as oppossed to the confined classroom in which we willfully await the anticipated signs of spring.

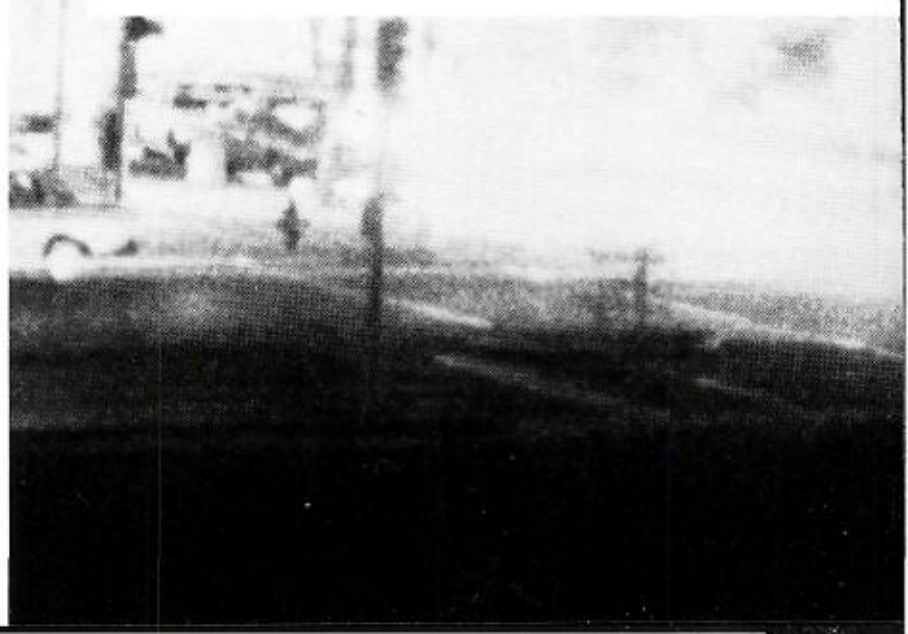
F. H., T. H., and G. T.





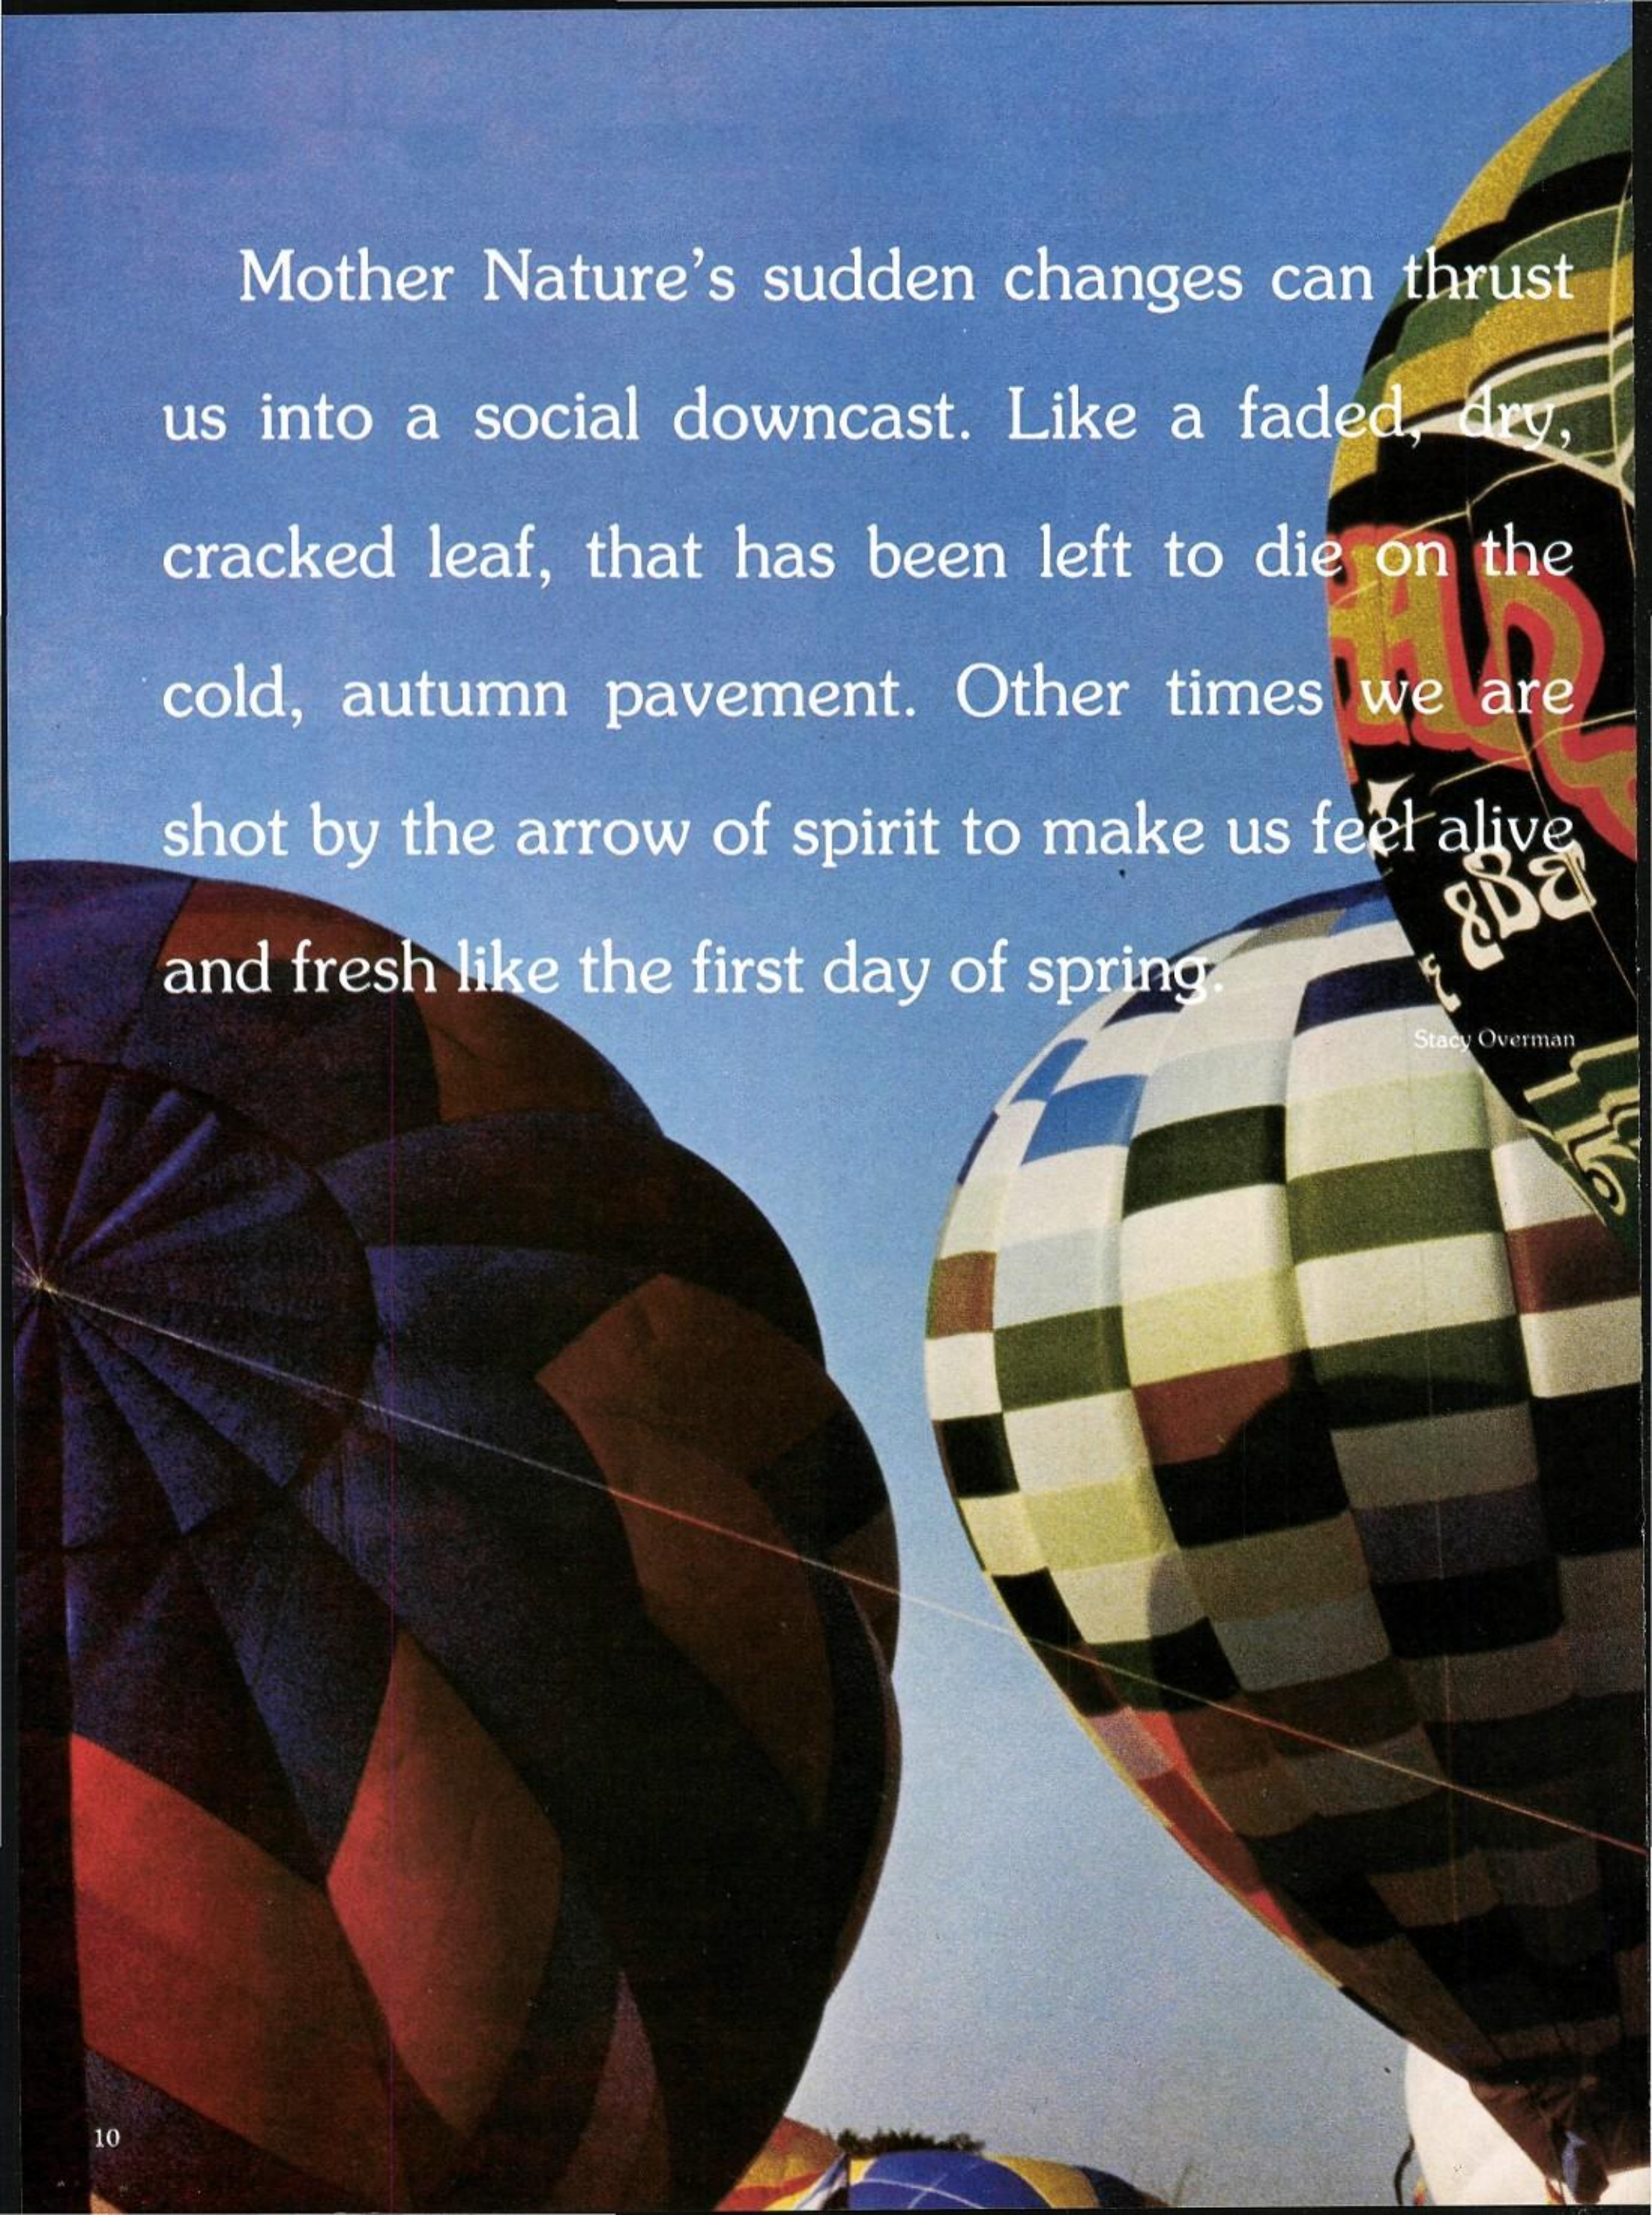






As the first signs of winter approach, we know that the long, cold season ahead is inevitable. Even though we feel the crisp cold, and see the snowflakes falling outside, the fire in our hearts cannot be extinguished. As the icicles begin to melt, we prophesize about the coming spring.

Lori Abney



Mother Nature's sudden changes can thrust us into a social downcast. Like a faded, dry, cracked leaf, that has been left to die on the cold, autumn pavement. Other times we are shot by the arrow of spirit to make us feel alive and fresh like the first day of spring.

In Memory of Thomas Walker

God hath not promised
skies always blue,
flowers stream pathways
all our lives through.
God hath not promised
sun without rain
joy without sorrow
peace without pain.
But God hath promised
strength for the day
rest for the labor
light for the way.
Grace for the trails
help from above
unfailing sympathy
undying love.

By Annie Johnson Flint

Thomas Walker
1941-1983

Tom Walker, Choral Director at Raytown South since August, 1969, died Sunday, September 18, at the University of Kansas Medical Center. He was 41.

The question arises, "Why?" Maybe the Lord Almighty needed a choral director for his chorus of angels, and he needed one of the best around.

He was ours,
As the days since September 18th have passed,
Our thoughts have turned to Tom, and we are hurt by his absence.
We think of him today and will a thousand times tomorrow.
We laughed and we have cried,
When we think back on Tom being a part of us.

This year there were ten nominees for Spirit King and Queen. They were Alan Clayton, Corky Colwell, Julie Kroenke, Jennifer McCright, Debbie Morales, Gayle Myers, Kevin Peterson, David Pickett, Michele Sartin, and Lawrence Witt. These candidates were all put up and voted on by Pep Squad. Debbie Morales and Corky Colwell were crowned at the Dec. 2 basketball game against Blue Springs. The crowning at half-time added to the excitement of the game which ended in an overtime Cardinal loss of 58 to 57. Despite the disappointing defeat, the Christmas dance afterward was a smash.

Dana McNutt was nominated by the Girls' Varsity Basketball team. ▶

The Varsity Boys' Basketball team nominee, Kendra Melton, shows her winning smile. ▼

Following the tradition at Raytown South, five organizations, Girls' Varsity Basketball, Boys' Varsity Basketball, Swimming, Wrestling and Key Club, each nominated one girl for the candidacy of Winter Homecoming Queen. This winter's five candidates were: Dana McNutt, Kendra Melton, Gayle Myers, Athena Rodenbaugh and Julie Stewart. Kendra received the crown from the returning 1983 queen, Kay Beth Rendek, during halftime of the Feb. 10 basketball game. Though for the first time in years there was no dance held afterwards, the entire evening was a huge success with the Cardinals defeating the Grandview Bulldogs 82 to 61.

Although the 1983-84 Fall Homecoming was a cold and wet one, the crowd, as well as the candidates, didn't let the weather put a damper on their spirits. The chilling drizzle began early and continued all day, making for a cold and uncomfortable evening. But that didn't stop South's faithful and dedicated fans. The game was a smash with the Cards defeating Hickman Mills 14-12 and the crowning of Tracy Marlatt to highlight halftime.

Every year, each football team — Varsity, J.V., Sophomore, and Freshman — selects a girl from their respective class for the candidacy of Red and White Queen. The number of Red and White tickets each class sells determines the winner of the crown. In keeping with their spirit and enthusiasm, this year's sophomore class came out on top with Kelly Dearing receiving the honor.
